SERKAN SULUN

DEEP LEARNING RESEARCHER

CONTACT

Porto, Portugal

serkan.sulun@inesctec.pt

EDUCATION

DOCTORATE IN ELECTRICAL AND COMPUTER ENGINEERING
University of Porto
2019 - Present

MASTERS IN ELECTRICAL AND ELECTRONICS ENGINEERING
GPA: 3.81
Koc University
2016 - 2018

BACHELORS IN ELECTRONICS ENGINEERING **GPA: 3.86**
Sabanci University
2009 - 2014

SKILLS

Deep learning
Pytorch | **Tensorflow** | **Caffe** | **Generative Networks** | **Adversarial Learning** | **Recurrent Neural Networks** | **Reinforcement learning**

Programming
Python | **MATLAB** | **C++** | **Julia**

Signal processing
Audio processing | **Image processing** | **Video processing** | **Video compression** | **Computer vision**

Music production
Cubase | **Protools** | **Audacity** | **Music21** | **MIDI**

Miscellaneous
Remote development | **Machine learning** | **Git** | **LaTeX** | **Ubuntu** | **Windows**

LANGUAGES

- **English** | *Fluent*
- **Turkish** | *Fluent*
- **Portuguese** | *Beginner*
- **German** | *Beginner*

SUMMARY

I use deep learning applications on music and video.

EXPERIENCE

RESEARCHER
INESC TEC, Portugal | Mar 2019 - Present
Enhancement of complex music signals using deep neural networks

RESEARCH ASSISTANT
Koc University, Turkey | Sep 2016 - Nov 2018 (2 years 2 months)
Video compression and frame prediction using deep neural networks, including generative adversarial networks

TEACHING ASSISTANT
Koc University, Turkey | Sep 2016 - Nov 2018 (2 years 2 months)
Leading laboratory sessions and occasionally lectures on programming with MATLAB

SOUND ENGINEER
Telfs Youth Center Studio, Austria | Oct 2014 - Aug 2015 (9 months)
Recording and mixing music performed by local youngsters

INTERN
Champalimaud Neuroscience Program, Portugal | Jul 2013 - Oct 2013 (3 months)
Processing neural signals and videos obtained by rat experiments, designing the controller board. Article acknowledgement: ncbi.nlm.nih.gov/pmc/articles/PMC4721960 (https://www.ncbi.nlm.nih.gov/pmc/articles/PMC4721960/)

PEER INSTRUCTOR
Sabanci University, Turkey | Feb 2010 - Jun 2014 (4 years 3 months)
Lecturing in small study groups and occasionally in amphitheaters on freshman chemistry and biology

PUBLICATIONS

VIDEO COMPRESSION USING LEARNED FRAME PREDICTION
Springer Journal of Signal, Image and Video Processing
In review

DEEP LEARNED FRAME PREDICTION FOR VIDEO COMPRESSION
Koc University | arxiv.org/abs/1811.10946 (http://www.arxiv.org/abs/1811.10946) | 2018-11-27
Doctoral Thesis

AWARDS

- **Doctoral Fellowship** | la Caixa Foundation
- **Graduate Fellowship (Masters)** | Koc University
- **Ranked 9 out of 204,392 in Turkish Academic Personnel and Graduate Education Exam**
- **Excellence Merit Scholarship (Bachelors)** | Education Foundation of Turkey
- **Excellence Merit Scholarship (Bachelors)** | Sabanci University
- **Employment Scholarship** | Sabanci University
- **Bachelors Scholarship** | Prime Ministry of Turkey
- **Ranked 297 out of 1,349,782 in Turkish University Entrance Exam**
- **Erasmus+ Exchange Grant** | EU Education, Audiovisual and Culture Executive Agency
- **Erasmus+ Internship Grant** | EU Education, Audiovisual and Culture Executive Agency
